

| Weather | Clothing | Footwear |
|---|---|---|
| Cold and dry | <ul style="list-style-type: none"> • Non-cotton layers (fleece, silk, synthetic wool) that can be added and removed. • A weatherproof jacket that is large enough to fit over multiple layers of clothing. • Snow pants, bibs or one-piece suits. • Warm hat, neck warmer (scarf or balaclava), gloves/mittens. We encourage children to wear mittens as they are much warmer than gloves. • For more information about dressing for winter, read Dressing Young Children for Winter Fun. | <ul style="list-style-type: none"> • Insulated footwear. Thick neoprene boots (like Muck boots or Bogs) are both warm and waterproof and can be worn in all kinds of winter weather. Snow boots are also okay in cold and dry weather. • Thick, non-cotton socks. Only wear two pairs of socks if there is still room to move your toes. |
| Cold and wet <ul style="list-style-type: none"> • Always check the forecast for your scheduled day or week of program. If the temperature will rise above freezing at any point, the ground will be wet and so will any precipitation. Please dress warmly but with waterproof outer layers as much as possible. | <ul style="list-style-type: none"> • Non-cotton layers (fleece, silk, synthetic wool) that can be added and removed. • A weatherproof jacket that is large enough to fit over multiple layers of clothing and is snow and rain resistant or waterproof. • Water resistant or waterproof pants. • Warm hat, neck warmer (scarf or balaclava), waterproof gloves/mittens. We encourage children to wear mittens as they are much warmer than gloves. • Rain gear with layers underneath is best for weather like this. • For more information about dressing for winter, read Dressing Young Children for Winter Fun. | <ul style="list-style-type: none"> • Insulated footwear (see above). No snow boots. • Thick, non-cotton socks. Only wear two pairs of socks if there is still room to move your toes. • If there is slush, the ground will be very cold and warm footwear is even more important. |
| Warm and dry | <ul style="list-style-type: none"> • Layered clothing that can get wet and/or muddy. • Even in hot weather, long pants are good to wear as they can protect legs from poison ivy and mosquitoes. | <ul style="list-style-type: none"> • Sturdy and durable shoes (hiking boots are great). • Waterproof shoes or outdoor sandals to play in creeks that are close-toed and have a back strap. |

| | | |
|--------------|--|---|
| | | <p>No flip-flops, Crocs or open-toed shoes.</p> <ul style="list-style-type: none"> • Thin, non-cotton socks, preferably wool or a synthetic like polyester or polypropylene. |
| Warm and wet | <ul style="list-style-type: none"> • Layered clothing that can get wet and/or muddy, including a warm, non-cotton layer. • Durable rain gear, including a waterproof jacket, pants or suit. | <ul style="list-style-type: none"> • Rain boots, waterproof shoes or outdoor sandals (that can get wet).
