Dear Ms. Vilca,

On behalf of the WELL Campaign, I am happy to inform you that you have been selected as a New York State School Wellness Champion. Your work in Rochester schools is helping students there learn and thrive. We look forward to sharing your accomplishments, insights, and stories with local media and elected officials; finding opportunities to connect you with other wellness advocates; and together influencing state policy through advocacy trainings and opportunities.

Thank you for your amazing efforts on behalf of New York's students' health and well-being. We look forward to working with you to advance the WELL Campaign to ensure ALL students can have physical, mental, and emotional health and well-being.

Sincerely,
